Base Year: 2016

*FutureView* Forecast: 2020 and 2025

Regional Coverage: Asia-Pacific ■ North America ■ Europe ■ Africa and the Middle East ■ South America

**LubesNet** helps assess finished lubricant demand at the global, regional, country market, market segment, product type, and viscosity grade level. **LubesNet** is the definitive source of identifying and quantifying industry trends and opportunities for global, regional, and independent lubricant and additive suppliers.

## This Database Provides Answers to Questions such as:

- What is the growth rate for synthetic 0W-XX PCMO in Malaysia?
- Who are the leading suppliers of industrial oils and fluids in Indonesia?
- When will demand for multigrade heavy duty motor oil exceed demand for monograde in Ecuador?
- Which country consumes more 2T/4T engine oil in 2016—India, Indonesia, Vietnam, or Brazil?

*Now featuring 56 country markets and market share estimates for 172 finished lubricants suppliers*

## Database Contents

**LubesNet** captures finished lubricant consumption in every important lubricant-consuming country market. Demand estimates are segmented according to five core regions, plus a global summary. Each regional segment provides a detailed breakdown of finished lubricant consumption in each country market, plus an “all other” category.
