## Scope

**Cosmetics & Toiletries USA** covers all cosmetic, toiletry, and fragrance products sold through all domestic consumer outlets in the United States, including those marketed via direct sales from companies such as Rodan + Fields, in addition to non-traditional outlets, such as the Internet and television home shopping. Our report consists of:

- Two key deliverables: an interactive online database and a comprehensive written report
- Product class summaries and insightful analysis of the covered product categories (see Table 1)
- Manufacturers', unit, and retail sales
- Professional use (back-bar) products are excluded from our analysis
- Analysis of sales by distribution channel for each product category, including traditional and alternate channels. Distribution channels include department stores, direct sales (person-to-person, the Internet, and television shopping), drug stores, food stores, mass merchandisers, professional outlets (salons, spas, and doctor offices), and specialty stores
