BEAUTY INDIES:

U.S. ANALYSIS OF BRANDS TO WATCH

Indie beauty brands exist in every category and vary in positioning, pricing strategy, and distribution. These independent, innovative, and purposeful brands are strong acquisition targets for global beauty companies. Recording staggering growth, these privately owned brands are outpacing the total beauty market growth by offering unique product and ingredient stories, combined with compelling digital marketing that resonates with today's beauty consumers.

 \bigcirc

Scope

Y794F

- Industry disruptors that are not owned by a large cosmetics company or corporate giant, have a unique selling proposition, and are experiencing dramatic growth
- All key beauty and personal care product classes—fragrances, hair care, makeup, skin care, and toiletries
- All consumer channels where beauty products are sold—e-commerce, department stores, mass outlets, professional outlets, and specialty stores

25 Brand Profiles

SUBSCRIBER BENEFITS

This report provides pertinent information on captivating indie brands that are shaping today's beauty industry. While they may be small in terms of sales value, these brands have the potential to become tomorrow's billion-dollar buyouts. The report will:

(*)

Methodology

Kline has a rich background in assessing beauty's indies for nearly a decade. This report edition uses NIQ's Omnishopper data as a basis for the analysis, augmenting NIQ's dedicated panel that captures both online and offline purchasing with Kline's primary research techniques.

New and Improved Forecasts

Kline's new enhanced forecasting capabilities combines the power of advanced data science techniques and industry expertise to predict future market metrics. We analyze economic, demographic, social media, and consumer trend indicators to identify the factors driving growth. Our algorithms refine predications, and our automated processes provide the latest data for informed decision-making.

CREDENTIALS

Kline is a leading global management consulting and market research firm offering the complete spectrum of services. The firm has served the management consulting and market research needs of organizations in the chemicals, materials, energy, life sciences, and consumer products industries for over 60 years.

With operations in more than 100 countries, **NIQ** delivers the most complete and clear understanding of consumer buying behavior through an advanced business intelligence platform.
